

Desde el lunes 4/ 04 al jueves 7/04 se leyeron cartas de ex-combatientes. Este viernes 8 de abril nos visitó Carlos Sciutto, que sobrevivió al hundimiento del Crucero General Belgrano. Nos relató con mucha emoción su experiencia. Los alumnos previamente elaboraron preguntas y un curso escribió cartas con un mensaje esperanzador para los ex-combatientes. Les compartimos algunas imágenes de las actividades realizadas con alumnos de 4° y 5° año con los docentes del Departamento de Ciencias Sociales, en el marco de la Conmemoración de los 40 años de la Guerra de Malvinas.
